Cleanroom Coaching on Site by Experts

- In a coaching session, we take a close look at your cleanroom and your processes. This involves targeted improvements in the areas of cleanroom cleaning, logistics of airlock processes and personnel conduct.
- The coaching includes a theoretical part for the introduction, the observation of your process and the joint risk analysis. Together we develop optimization proposals and try to implement them.
- Your benefits
 - Benefits of CWS expertise
 - Can be pursued on a modular basis
 - Takes place on site for maximum effectiveness
